

Town of Olds

Notice to Residents - 2018 Construction Notice

2018 Spring and Summer Road Construction will be taking place in the following areas of town. Please note: Traffic flows may be affected.

57 Avenue

- Repair soft spots and install filler/levelling course to establish the crown of the roadway
- Milling of Asphalt surface
- Replacement of Concrete (Sidewalks and Gutters) as required.
- Repaving and painting of lines

The roadway will be accessible to the public, however at times during construction traffic may be reduced to one lane traffic. Please note - delays in traffic flow are to be expected.

44 Street

- Asphalt Removal
- Storm Water Mainline & Water Line Replacement
- Rebuilding of Road
- Replacement of Concrete (Sidewalks and Gutters) as required.

There will be a significant amount of equipment and workers on site for an extended period of time.

Shannon Drive

- Sanitary Sewer Main Repair
- Replacement of Sidewalks & Gutters as required.
- Milling and Paving of Road

There will be a significant amount of equipment and workers on site for an extended period of time. During sanitary sewer repair access to residential properties may be limited or not permitted. Access to property will be via the alleyway or on foot.

50 Avenue (North) & 70 Avenue (South)

- Chipseal

Fire Hydrant Replacement

- 13 Fire Hydrants are scheduled for replacement.

Thank you in advance for your patience and understanding while this major road construction is undertaken during the 2018 road construction season.
